AUGUST 2024

ADVENTURES IN COUNTRY-404

 @RYBAR

**Excerpt
from the situation report**

**Prepared:
Maksim Krymin**

**СОБЕРИТЕЛНО
СЕКРЕТНО**

In June 2024, in Chasiv Yar, assault groups of the Russian Armed Forces are advancing, pushing the enemy back in the course of intense battles. AFU units are holding their defense, employing numerous FPV drones and artillery shells with cluster warheads.

In such conditions, even small advances become significant tactical successes in the battle for the city. As the assault troops occupy new positions, the main forces can move closer or relocate unnoticed.

It's easy to talk about all this from safety, but under fire, constantly risking both your own life and the lives of your comrades, covering even 200-300 meters can be incredibly difficult. But it's necessary.

CHASIV YAR,
JUNE 2024

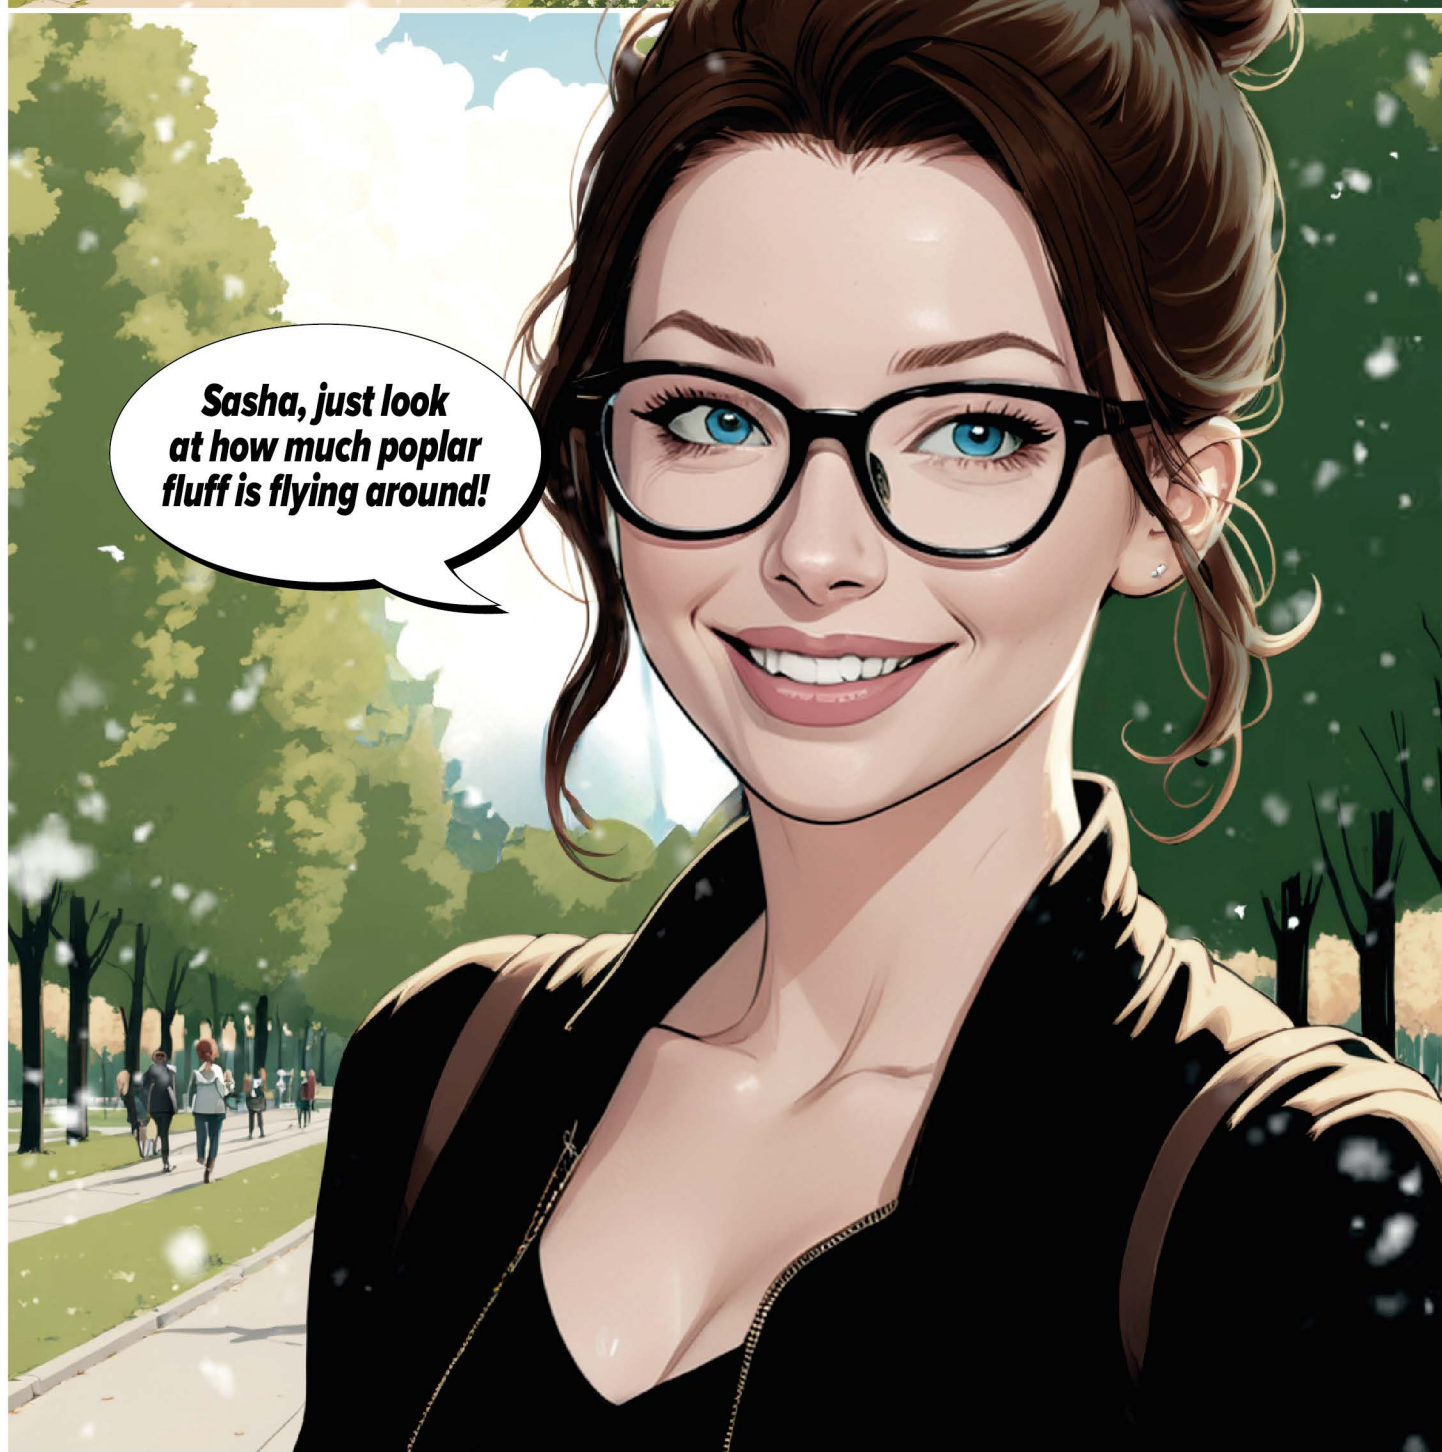

KAZAN,
APRIL 2024

**Sasha, just look
at how much poplar
fluff is flying around!**

CHASIV YAR,
JUNE 2024

BOOM

BOOM-BOOM

They're fighting back!

BOOM

BOOM-BOOM

BOOM

BOOM

KAZAN,
APRIL 2024

***It's not like in your books,
Sasha... They can really kill
you there!***

***Understand, I've always
written about tough guys,
about honor, about
defending justice.***

***And now
I can't just back out. Especially
since I served, and I've been
trained.***

***I understand, Sash.
That's why I love you.***

CHASIV YAR,
JUNE 2024

BOOM

WHOOSH

CREAK

***Fantasia,
when we win, will you
write about this battle in
your book?***

***I usually write
about space, about
blasters...***

***So, you'll read about
how once, in a galaxy
far, far away...***

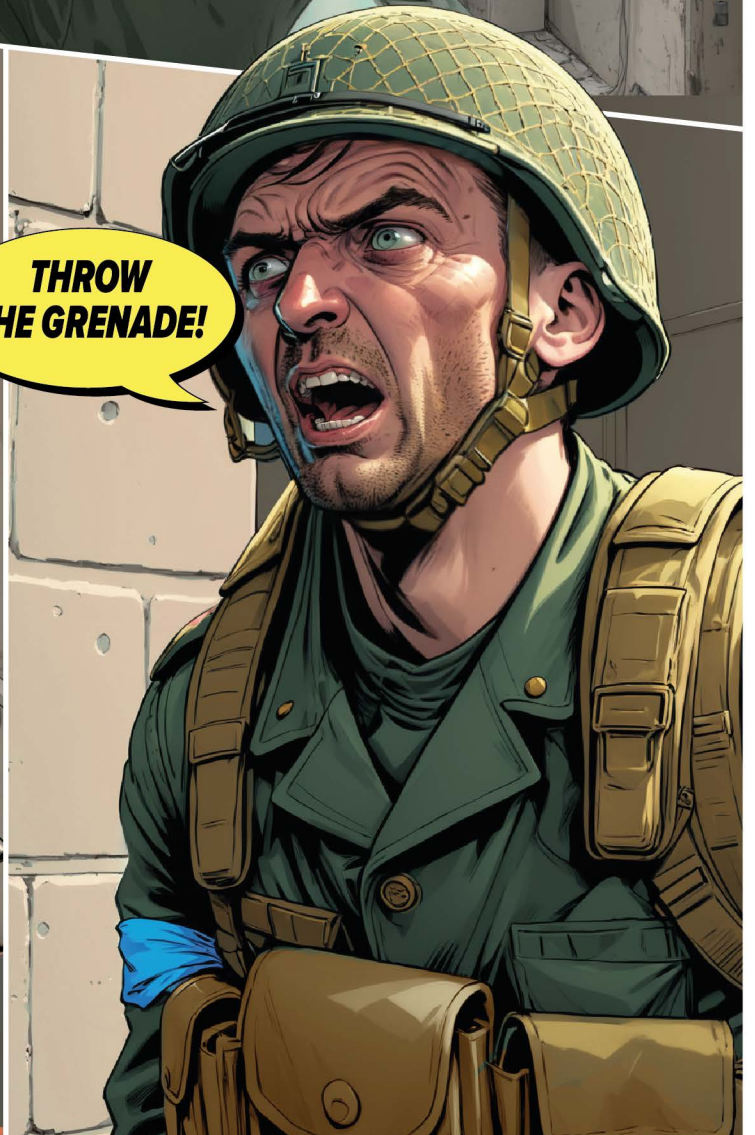

**THROW
THE GRENADE!**

Guys,
I'm hit!

RAT-A-TAT

AHHH

Don't shoot!
I surrender.

***I'm a mobilized
soldier from Poltava!***

***I want to live,
and so many of us have been
killed by the commanders
here! Don't shoot!***

ON THE FRONT LINE, THERE ARE NO UNIMPORTANT OR SMALL TASKS. EVERY COMBAT MISSION IS IMPORTANT – BOTH FOR THOSE WHO CARRY IT OUT AND FOR THOSE WHO FOLLOW BEHIND THEM. THERE ARE NO BLASTER EXPLOSIONS HERE, NO MOUNTAINS OF ENEMY BODIES, AND NO SPECIAL BUILDINGS.

AND THE STREETS HERE ARE ALMOST THE SAME – SOMETIMES THEY EVEN HAVE THE SAME NAMES. AND EACH SMALL BATTLE IS FOUGHT TO BRING A SUMMER WITHOUT EXPLOSIONS AND GUNFIRE TO THESE STREETS AS SOON AS POSSIBLE. AND SO THAT WAR NEVER COMES TO OUR STREETS.

**So, we went
to the store after
all...**

**I knew we'd make it.
It's a good sign: I live on Olega
Koshevogo Street in Kazan
too.**

**It's nice there now,
summer... Just that damn
poplar fluff...**

**Comrades!
I ask you to show
some respect!**
